## *Preface*

Great Bridge, although not entirely surrounded by water, does have a canal running through it—over this, of course, is a bridge. From this bridge we get our township title, Great Bridge. Because of this title, which is also our school name, we have chosen WATERWAYS as the theme for our 1951 annual. With sincere appreciation, we acknowledge the

permanent cover design, which was drawn by Miss Carol Byrd Williamson for THE CAUSEWAY. Miss Williamson is a Great Bridge alumna of the Class of 1944.

Our appreciation is also extended to Miss Nancy Chambers, who generously loaned her camera for many pictures that were taken for the yearbook.

Sketches for the annual were drawn by Frances McNeill of the Sophomore Class, Carolyn Pugh, Barbara Curling, and Richard Peake of the Junior Class, and Ernest Maynard of the Senior Class.

Our appreciation of a helping and guiding hand which has led us in our daily school life and growth during the past few years cannot fully be expressed. He has been our leader in various projects and when our school spirit was low he gave us a much needed lift. To our principal, Mr. M. E. Alford, whom we feel is indeed worthy of any praise we can give, we dedicate the 1951 CAUSEWAY.

*"Jimmy"*

Through the years that come and go  
We make friend, we make foe,  
But when that final day comes round,  
Down the same one path we'll all be bound.

Though old and gray that we may be  
One, who was of our youth, we shall see.  
And in remembrance, shake hands with him,  
And say, "So nice to see you Jim."

Then as we talk of times gone by,  
We let pass from our lips a sigh,  
But Jim? Why he knows how sad we felt,  
And if we could, would have helped.

Our memories of you will never grow dim,  
Our lives growing stronger with thoughts of them.  
And as today our minds do wonder,  
We know Jimmy Bowen is somewhere up yonder.

The crowning of Miss Shirley Paxson as Miss Ruritan marked the climax of the evening of the 1950 Ruritan Harvest Festival, under the direction of the Hickory and Great Bridge Ruritan Club.

These clubs sponsored this gala festival in order to raise money for the school band uniforms. On this evening alone close to \$2,000 was raised for this project. Starting with a parade of several county school bands, the evening of entertainment proceeded to include supper on the athletic field, a Jayvee football game with the Cradock Nationals, then finally a dance.

## *Fall Features*

Miss Shirley Paxson, Miss Ruritan of 1950, is crowned by Mr. Curtis Old, President of Ruritan National.

County-wide S.C.A. convened at Great Bridge for an all day program, with County S.C.A. President Ruby Tubbs presiding.

Home Economics girls entertained the faculty with a lovely tea in October. Pictured, left to right, are Ann Brothers, Janice Brock, Mrs. Brock, Mrs. Tatem, Mrs. Purvis, Miss Turlington and Mrs. Joyner.

# *Senior Class Prophecy Of 1951*

I was alone one evening with nothing to do, so I walked over to my book shelf, in hopes I might find something of interest. My eyes, roaming over the contents of the book case, fell upon an old dust covered book with yellow and torn pages. Picking it up I found it to be the CAUSEWAY OF 1951. Goodness! that was a long time ago.

As I turned through it some old and dear memories came back to me.

When I saw Tony Griffin's picture I thought of the time he used to drive the old hotrod "88". Although he has had his neck broken about a half dozen times he is now general manager of the stock car races.

Betty Williams, a well known typist in Mr. Eley's office at old Great Bridge High School, has become head typist in the President's office. She keeps him company after office hours.

Now good old Ernie Maynard has given up his opportunity to become Mayor (he always was very intelligent around school, and could he play football!) to become what he had secretly desired for a long time, to be a traffic cop. He can now whistle at all the girls without being slapped or called a wolf, except when his wife, Elizabeth, is around.

Davis Mellott used to like hotrods so well and stayed at the race tracks until he found out that he couldn't feed his ten kids that way, so he became a taxi cab driver. His passengers are his old flames from Great Bridge, but his wife doesn't know this.

Jack Kilgore has become a great radio announcer. He always did talk SO much.

Charles Draughon who used to like race hounds so well and spent most of his leisure time at the tracks, has finally become general manager of the race tracks. He now owns a few flea hounds.

Virginia Harrell, who was so fond of journalism, and once Editor of the Annual, you know, now owns the company that produces the famous paper, the "Ledger Dispilot"

Nancy Woolard's long time desire was to become a nurse. She has finally accomplished this longed for profession, and is nurse-maid to her own "young-uns".

Joyce Ashley joined the Navy, that is what she always wanted to do. She has become an officer, and is suited to that, because she could really argue her point. How she loved to debate!

I turned through the worn pages and looked at the faces of my old school mates with an ache in my heart for the good times we used to have. Each one of us has gone our way and made a place in the world for ourself. The beloved faculty members still occupy a tender spot in our hearts. They have helped to make us what we are today.

With a sad smile and a lump in my throat for my old friends and teachers, I closed the pages to my 1951 CAUSEWAY.

ALUMNA, CLASS OF 1947

In a spot of old Virginia  
Under skies of blue,  
Stands our noble Alma Mater,  
Whom we love so true.

Chorus:

Hear the anthem,  
Hear it calling—calling loud and free,  
Hail to Thee, Oh Alma Mater,  
Hail, oh hail to Thee.

When in the west, the sun is setting  
And we're old and gray,  
Of our youth we will remember  
Alma Mater days.

# May Queen of 1951

Each year at Great Bridge a May Queen, Maid-of-Honor and May Court are chosen by the students, and to be in this group is one of the most coveted honors of the high school. For being in the May Court means representing well the ideals of Great Bridge School, of good character, service in the school organizations, scholarship and leadership. The May Queen and Maid-of-Honor were chosen from the Junior class this year, and each class in high school, beginning with the eighth grade, elected two attendants.

## Junior Varsity Football

The Jayvee football team had an eight game schedule this year. Having completed the season with a record of five wins, two losses, and a tie, the Baby Wildcats finished second in the Norfolk County Junior Varsity Football league.

The highlight of the season was without a doubt the win over Deep Creek. In the early part of the season Deep Creek scored twelve points in the last four minutes of the game to defeat Great Bridge 18-6. However, in the second contest the Jayvee team defeated Deep Creek 6-0, playing their best game of the season.

Outstanding players for the season included Donald Wood, Archie Merrill, John Lancaster, Jim Lee, Thomas Clark, Edward Allen, Charles Gilbert, and Don Raulerson, all of whom expect to play ball next year.
